

**Dr. Mohamed Shein, President of Zanzibar visited Pemba Rural Roads
on 19th November 2013.**

President Dr. Shein appreciated the assistance from American people which made possible the 35 kilometers of roads to be constructed in North Pemba.

He was informed by the Resident Engineer the progress for the roads which has reached 83.7 percent

He underscored the benefits which are visibly seen as of to date despite the works still ongoing. He was so much pleased to see the people could easily travel between Bahanasa to Daya to Mtambwe to Makongeni which was a nightmare before.

During the visit MCA-T was represented by the DCEO (M), Mr. Pascal Assey; Director of Transport Sector Projects, Eng. Salum Sasillo and Director of Environment and Social Impact, Mr. Ernes Mwasubila

Dr. Shein and delegates listens to the Resident Engineer R. Sharma, of consulting firm (LEA Associates) before site visit

Mr. Pascal Assey, MCA-T Deputy CEO (Mainland) briefing the President on the overview of the project
