

NEWS IN PICTURE

On 16th September 2011, MCA-T organised a meeting with key partners in Energy sector to share results and findings of the Loss Reduction Study for TANESCO and ZECO systems conducted by M/S AZOROM LTD of Dublin Ireland. The meeting which was held at Ministry of Finance Conference Hall included participants from TANESCO, ZECO, EWURA, JAICA, Donor representatives and other key partners in Energy sector

The main objective of the study is to reduce the current level of technical and non-technical losses from 24% to 18% by year 2013 for TANESCO and from 27.5% to 20% by year 2013 for ZECO.

For more details on the finding visit: www.mca-t.go.tz
